

Terms of Use Agreement
For Subscribers to BehaviorEducationNetwork.com
Effective July 2022

When you become a member of Behavior Education Network, you are agreeing to the following Terms of Use:

Cancellation Policy:

You may cancel your membership at any time. However, we do not prorate monthly subscription fees. For example if your billing date is the 15th and you cancel on the 20th, you will not receive a refund for the unused portion of your 30 day cycle, but you will not be billed for the next month.

One Member per Subscription Fee: Our subscription fees are meant for one subscriber/one fee – much like a conference registration fee. This policy is to protect the investment of each member.

In order to be fair to everyone, if multiple people are accessing BEN under one membership, that membership will be cancelled immediately and permanently.

Copyright, Use, and Privacy Policies: The material we provide to BEN members remains the copyrighted property of Animal Behavior Associates, Inc. in every way. Your subscription fee allows you to view and use the material on BEN, it does not give you ownership of the material.

Unless explicitly expressed otherwise, NO RESALE of our material from this site is allowed under ANY circumstances. Client Handouts may be re-distributed AS IS (no changes aside from adding you business/contact information, no excerpts taken from) to your clients/customers free of charge (you can NOT sell them) as part of a training or consulting service you are providing them.

We've had many requests from people wanting to re-publish our articles. We have generally granted these requests as long as you use the wording we give you to cite us as the source. We will consider these requests for use of written material from BEN on an individual basis, so please email us at Info@AnimalBehaviorAssociates.com.

ANY republishing of content without express permission (except for the client handouts) will result in termination of your membership and perhaps legal action for violation of copyright.

Use of Audio Files: You may transfer the MP3 recordings in BEN to your personal MP3 player. You may NEVER sell, give, or share those recordings with others.

WE RESERVE THE RIGHT to cancel your subscription, and, at our option, refund the current month subscription, if we determine it is not in our mutual best interest to continue your subscription to BEN.
